

GLOBAL PRAYER PARTNERSHIP WOMEN'S EMPOWERMENT

WOMEN IN SERVICE EVERYWHERE (W.I.S.E.)

March will be an amazing time of Prayer! During **Women's History Month** our missions community will join together for **31-Days of Global Prayer Partnership** addressing the international plight of vulnerable and exploited women. By sharing our strength as intercessors and prayer partners, it is our mission to create a 24-hour Global Prayer Circle praying for the concerns of women suffering around the world. **Spread the Word!** *With God all things are possible for those who believe.*
